Dear Ms. Reger:

On 13 July 1983, we sent to you four documents and enclosures which were responsive to a discovery motion request, generated by the CBS vs Westmoreland case, and requested that you coordinate on the declassification review of them.

We have received responses from the coordinating agencies. Deletions recommended and the agencies requesting the deletions are color-coded on the enclosed documents. We would appreciate your review decision on the following documents:

<u>Document No.</u>	<u>Decision</u>
310	CIA has no objection to release; no other coordination involved.
416, 416A, 416B	Deletions Recommended.
417, 417A	Deletions Recommended.
418	Deletions Recommended.

Please mark any additional text to be deleted on the enclosed documents giving the reason for your action, and return them to this office. If no additional deletions are required, please contact me

your assistance in this matter is greatly appreciated.

Sincerely,

*Signed*
